Next Regular Meeting: Sunday, March 15, at 2:00 p. m. – Houston Garden Center in Hermann Park, 1500 Hermann Drive, Houston, TX 77044 – Phone: (713) 529-3960

A message from our President:

Greetings everyone,

I hope you are all enjoying this wonderful weather and getting to do a little gardening.

We have a special program this month that I hope everyone will be able to attend. I've been trying for some time to find someone to do a program explaining how to identify and grow the 19 different species of Platycerium. I'm happy to report that I've talked an expert, Don Callard, into coming out for the program. He'll be bringing a few plants to "show and tell" as well as some to sell. Since he'll be coming from San Diego he'll be limited in the number of plants he can bring on the plane but, never fear, I'll have some babies for you to take home and raise.

We won't be having a mini-workshop this month because of the special program and the Platycerium display Larry's helping to set up.

I've placed the order for the loupes and hope they arrive before the meeting. I ordered a few extra ones so if you weren't here to get your name on the list, you may still be able to get one. We're going to be putting any extras into the newly formed "store" that Larry Rucker volunteered to manage.

If all goes as planned, next month's program will be about how to grow Maidenhairs someplace besides right next to the foundation of your house.

See you Sunday!

Donna

**Minutes of General Meeting, January 18, 2009
Texas Gulf Coast Fern Society**

A regular monthly meeting was held at the Houston Garden Center, Houston, Texas.

The meeting commenced at 2:10 PM with President, Donna McGraw presiding.

Meeting called to order by Larry Rucker.

Mini-workshop: Larry Rucker presented a hands-on workshop showing how to mount *Nephrolepis pendula*. All attendees received ferns to mount and take home. Don't forget to bring your ferns to the 2009 August party for comparison.

Program: Donna McGraw presented a program "Fern Identification: *Dryopteris* and *Thelypteris*". A slide presentation showing several varieties of each type of garden fern was shown. Each attendee received three different varieties of *Dryopteris* and two varieties of *Thelypteris* to take home and plant.

General Meeting: Led by Donna McGraw. Starting a Society store to order supplies in bulk was discussed. Larry Rucker volunteered to run the store. Donna McGraw is looking for volunteers to grow and report small ferns. Lists were circulated for anyone interested in purchasing a 30 power loupe for \$12 or 5 kilo block of sphagnum for ~\$35.

Plant Raffle: Jean Keiser ran the plant raffle with the member plants going to the lucky winners Patrick Hudnall and Patsy Geiger.

Meeting adjourned at 4:10 PM.

Library

We encourage you to take advantage of the great resource of information available in our library. At each meeting there are take-home sheets that contain a brief review of available books. Also at each meeting is a wide variety of books and videos available for immediate checkout.

Don't forget to visit our web site (see link in header, page 1) and click on **Library** to see the current list of books available. There you will see some pictures of the books we have and links to reviews at Amazon and elsewhere.

March Book Review

By: Frank Lee

“Platyserium Hobbyist’s Handbook” by Roy Vail

This book contains nearly 200 pages of clear, understandable information on staghorn ferns by the world's leading expert on them. He has grown these ferns for over 20 years and explored areas where they grow where no other hobbyist has ever been. The book has how-to instructions on spore propagation, division, buying staghorn ferns, as well as photos and discussions of each species and distribution maps of where they occur in nature.

If you don't have your own copy you can check it out of our library. Just see Frank for the sign-out sheet.
